You must be an established project manager with a proven track record in all aspects of delivery. Expert in project planning, scheduling and budget control with a strong emphasis on customer service management.

- 5 years + experience in a similar project management role, preferably in a fast paced service delivery environment.
- Experience in managing multiple projects concurrently
- Extensive hands-on experience in producing detailed project schedules, extrapolating work break down structure, and resource requirements and tracking to schedule.
- Ability to work with and manage 3rd party vendors
- Excellent communication and relationship management skills
- Strong organizational skills to structure and control complex projects
- Strong project management skills – expert at building and tracking project plans in Microsoft project and issue/risk management
- Proven ability to delivery projects as part of a geographically dispersed team to budget, schedule and quality.
- Ability to manage offshore vendors to deliver project requirements
- Excellent interpersonal and proven communication skills at peer, stakeholder and Vendor levels to be able to motivate a team delivery
- Experience in a rapid, high growth environment with ability to take ownership of tasks and see through to conclusion
- Positive, proactive, can do attitude to problem solving and issue management
- Customer service orientation with ability to manage relationships with internal customers

- Experience in a rapid, high growth environment with ability to take ownership of tasks and see through to conclusion
- Positive, proactive, can do attitude to problem solving and issue management
- Clear concise communicator who backs up reports with factual data points

This position offers a great opportunity to work with a high visibility client in a dynamic industry. If interested please reply with CV and summary of relevant experience.

NOTE: You will need to be authorised to work in Ireland and be available to commence work on these projects in the very near future. Please confirm in your response that you can meet both of these requirements.
