

ERP Implementation Manager/ Contract/ Retail background/ Dublin

Daysha Consulting are currently recruiting for a strong ERP Implementation Manager to join our consultancy team on a contract basis.

As an ERP Implementation Manager you will manage the delivery of an ERP system and integration of EPOS systems across a network of sites. You will be responsible for developing the project approach, supporting the business case with the sponsors and stakeholders and the delivery of the agreed solution to the appropriate quality, timescales and at a cost acceptable to the project governance.

- 10+ years' experience in project delivery with 5 years in retail
- Retail business process knowledge and experience of working on teams implementing ERP systems including EPOS and EPOS integrations to ERP.
- Knowledge of Navision an advantage but not essential.
- Business analysis skills - ability to extract processes from users and map them to ERP systems and vice versa.
- A strong background in ERP/EPOS systems, with proven experience as a project manager
- Excellent communication and relationship management skills
- Strong organizational skills to structure and control complex projects
- Prince2, PMI, APM or equivalent certifications
- MS Projects, Visio, MS Office, SharePoint

This position offers a great opportunity to work with a high visibility client in a dynamic industry. If interested please reply with CV and summary of relevant experience.

NOTE: You will need to be authorised to work in Ireland and be available to commence work on these projects in the very near future. Please confirm in your response that you can meet both of these requirements.
